

FOUR SEASONS RESORT SEYCHELLES

FACT SHEET 2014

With views that could rend even the most practised traveller speechless, incomparable service, and a unique sense of Seychelles, it is the combination of location, authenticity and the Four Seasons touch that makes this not just a Resort, but an experience.

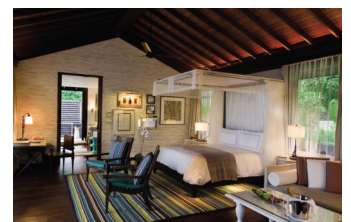

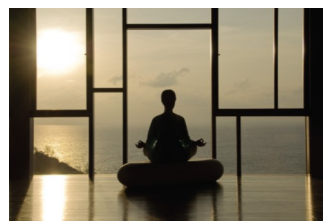

RESORT HIGHLIGHTS

In this lush castaway sanctuary, days promise barefoot ease as you stroll along the powder-sand beach. Nature's richness recharges the spirit with storybook adventure in jungle and sea. Villas are set in the natural amphitheatre of Petite Anse; with interiors that draw their inspiration from a mix of rustic Seychellois and French colonial style. Simple, white-washed timber slat walls allow the carefully curated collection of *objets d'art* to sing, while the verandah, day bed pavilion and infinity plunge pool set off unencumbered views of tropical greenery and the azure waters of the Indian Ocean; pausing only to kiss the white sand enclosed in the bay, as if framing nature's own handiwork. The combination of privacy and space lends an unparalleled sense of relaxation. Four Seasons signature service is provided with added local charm, while the tropical birdsong, cinnamon trees and frangipani are pure Seychelles.

SPA

High above the bay, the hilltop spa epitomises the Resort's sense of tranquility and seclusion. Sip a delicious iced cinnamon and vanilla infusion as you take in the breathtaking view from the relaxation area, before you enjoy one of a range of facial, body or massage treatments in one of the seven individual and couple's treatment pavilions. Indulge in a treatment at the beachside Spa Cabana, where the sea breeze and sound of the ocean will aid relaxation.

DINING

Foodies will be spoilt for choice at Four Seasons Resort Seychelles. Enjoy ZEZ for a hillside breakfast, or enjoy Mediterranean cuisine for a sophisticated dinner. Local Creole and Asian food is the specialty for dinner at Kannel, or enjoy cocktails and snacks at any time of day at Kannel Bar. For freshly-rolled sushi and sashimi, ZEZ Lounge is a must; but if you can't bear to leave your villa then our In-Villa Dining Service is only a phone call away!

RECREATION

Let Kids For All Seasons take care of the little ones while you find peace at a class in the tree-house setting of our open-air yoga pavilion or enjoy a workout at the fitness centre. See spectacular coral and tropical fish with snorkeling and diving, and those looking for something with a bit more adrenaline will love to try hiking, kayaking, surfing, stand-up paddle or big game fishing. Enjoy the vibrant Creole culture at markets and galleries across the island.
