escape to paradise

The Seychelles Islands – with a year-round temperature of 27-30 degrees Celsius, dazzling beaches, crystal clear waters and tropical beauty, these are idyllic retreats where rich flora and fauna thrive. At Enchanted Island Resort, we have blended this exquisite natural environment and superb weather with our thoughtful approach to casual luxury, in order to allow our heartfelt hospitality to be felt alongside the heartbeat of nature.

get close to nature

At Enchanted Island Resort, we have created a luxurious hideaway in the middle of a designated National Marine Park – on an island blessed with five acres of white sand, rock formations and lush vegetation. This means that we can reward you with stunning views of the Indian Ocean's multi-hued turquoise waters as you recline in luxury on shore, or the possibility to discover some of the world's most colourful marine life just a few steps away.

travel in style

Visitors from far and wide are drawn to the beauty of the Seychelles Islands and scheduled, as well as charter flights arrive from Europe, Africa, the Middle East and Asia. On arrival at the Seychelles International Airport (SEZ) on Mahé near the capital city of Victoria, you will be chauffeured to the Mahé jetty just ten minutes away and welcomed with refreshments in the private lounge. Your journey continues with a 15-minute motorboat transfer to Enchanted Island Resort and a tropical island welcome to your private villa.

stay in divine serenity

Your time on Enchanted Island Resort will be spent in one of just ten exclusive villas, each with a private walkway to the beach, black infinity pool, outdoor rain shower and private deck area. The Private Pool Villa and Enchanted Signature Villas provide one and two room units designed to reflect the unique heritage and colonial past of the Seychelles Islands, with modern day comforts and technology discreetly used to affect your stay with serenity and contentment.

delight your taste buds

Personalised culinary creations, inspired by traditional customs and fulfilled with local island produce, are at the heart of Enchanted Island Resort's approach to food. Enjoy contemporary international gourmet cuisine at Bounty restaurant, where a changing choice of starters, main courses and desserts are artfully presented daily. Sip on your favourite aperitif at Castaway Bar under a canopy of stars, dine in the privacy of your villa or discover our exquisitely prepared seafood by moonlight on the white sandy beach.

stir your senses

The hilltop of our island hideaway is immersed in good karma, with a spa, gymnasium and yoga pavilion harmoniously blended into the natural landscape for complete privacy. Our spa has two treatment pavilions and the first one has two individual treatment suites, each with a private steam room, shower and terrace so your relaxation time is peaceful and undisturbed. The second pavilion hosts our couple's treatment suite, which is characterised by a private outdoor bathtub, shower, steam area and stunning ocean view terrace.
